BIKE & RIDE
Each Yakima Transit Bus is equipped with bike racks. Make a biking part of your regular commute or use the bus to get to a park on the Greenway. It is easy to load your bike and there is no extra charge.

1. Pull up to release the folded bike rack. Allow it to drop slowly in place.
2. Lift your bike onto the rack, fitting the tires into the slots.
3. Raise the support arm over the top of the front tire and release it to fit over the tire.

Use hand signals. Hand signals tell motorists what you intend to do. Use your hand signals.

1. As a vehicle: signal your intention in advance. Move to the left turning lane and turn when safe.
2. As a pedestrian: ride to the left turning lane and turn when safe.

Stay in the middle. Ride in the middle of the lane in slow traffic and at busy intersections. Beware of car doors. Be wary of parked cars. Motorists can unexpectedly open doors. Be careful if you see a motorist in the car. Ride a car door width away.

Always wear a helmet. Straps' clips/bands keep cuffs out of the chain. Never ride without a helmet when riding.

Obey signs and signals. Bicycles must drive like other vehicles, if they are to be taken seriously by motorists.

Never ride against traffic. Motorists aren't looking for bicyclists riding on the wrong side of the road.

Obey all traffic laws. Obey all traffic signals. Obey all traffic signs.

Use bike reflectors and a red tail light at night. Use only a white headlight during the day. Bright colors help drivers see you.

Follow lane markings. Don't turn left from the right lane. Don't go straight in a lane marked right turn only.
