What is Dial-A-Ride?

Dial-A-Ride is a way for people with physical or mental disabilities to travel within the cities of Yakima and Selah. It provides door-to-door transportation to pre-qualified riders. Dial-A-Ride was established to provide transportation for those not capable of using the regular Yakima Transit bus system.

People certified as eligible according to the standards of the Americans with Disabilities Act (ADA) may use Dial-A-Ride to travel to any destination within the city limits of Yakima and Selah for a \$2.00 one-way fare.

Disabilities which could qualify someone to use Dial-A-Ride include mobility, vision, respiratory or cardiac impairments, mental disability and/or cognitive/developmental disabilities. These disabilities must prevent the person from independently boarding, riding, and disembarking from any regular Yakima Transit fixed route buses. Each person must complete and submit an application form which includes a medical verification of their disability from a licensed medical practitioner that specializes in that particular type of disability. Dial-A-Ride is available for those with permanent or temporary disabilities.

How do I get an application?

Applications are available online or by calling Yakima Transit's Dial-A-Ride program at 575-6054. An application form, program information and the rules for using Dial-A-Ride can be mailed to you free of charge.

Vanpool Can Help With Long Commutes!

Yakima Transit Vanpools are providing thousands of commute trips every month! Currently Vanpool groups are going from Yakima to worksites at Hanford, Toppenish, Sunnyside, White Swan and more. New groups are forming to commute to other areas. Some of these groups might have openings available for new riders.

Vanpool vans are available now! If you and 4 to 11 others at your workplace or neighboring workplaces, share similar work hours and days, you should consider forming a Vanpool rather than carpooling or driving alone. The savings can be surprising; plus you have a comfortable, dependable vehicle and company for your daily commute! Your low monthly cost includes the vehicle, fuel, maintenance, tires and insurance. It's a great deal!

Learn more about Vanpooling by calling Yakima Transit. Our staff will be happy to give you information to help you form a group or match you up with an existing group if there are seats available. We even have signs to help recruit people to fill your van! Call 575-6175 for details about how Vanpooling can be a part of your daily commute!
