What is Dial-A-Ride?

Dial-A-Ride is a way for people with physical or mental disabilities to travel within the city limits of Yakima. It provides door-to-door transportation to pre-qualified riders. Dial-A-Ride was established to provide transportation for those not capable of using the regular Yakima Transit bus system.

People certified as eligible according to the standards of the Americans with Disabilities Act (ADA) may use Dial-A-Ride to travel to any destination within the city limits of Yakima for a \$2.00 one-way fare.

Disabilities which could qualify someone to use Dial-A-Ride include mobility, vision, respiratory or cardiac impairments, mental disability and/or cognitive/developmental disabilities. These disabilities must prevent the person from independently boarding, riding, and disembarking from any regular Yakima Transit fixed route buses. Each person must complete and submit an application form which includes a medical verification of their disability from a licensed medical practitioner that specializes in that particular type of disability.

Dial-A-Ride is available for those with permanent or temporary disabilities.

How do I get an application?

Applications are available online or by calling Yakima Transit's Dial-A-Ride program at 575-6054. An application form, program information and the rules for using Dial-A-Ride can be mailed to you free of charge.

¿Que es Dial-A-Ride?

Dial-A-Ride es un programa para que personas con impedimentos físicos y mentales puedan viajar dentro del lindero de la ciudad de Yakima. Provee transporte de puerta-a-puerta a viajantes precalificados. Se organizó Dial-A-Ride para proveer transporte a los que no pueden usar el sistema regular de Yakima Transit.

Las personas que califican para usar Dial-A-Ride de acuerdo al reglamento del Americans With Disabilities Act (ADA) pueden viajar a cualquier sitio dentro del lindero de la ciudad de Yakima por el costo de \$2.00 por un solo viaje.

Los impedimentos que pueden hacer que alguien califique para usar Dial-A-Ride son los siguientes, impedimentos de visión, móviles, cardíacos o respiratorios, mentales o del desarrollo cognitivo. Estas incapacidades evitarán a la persona de abordar, viajar y desembarcar independientemente las rutas de autobús regulares y fijas de Yakima Transit. Cada persona tiene que completar y entregar un formulario de solicitud que incluye una comprobación médica de su incapacidad de un médico licenciado que especializa en ese tipo particular de incapacidad. Dial-A-Ride está disponible para las personas con impedimentos permanentes y temporales.

¿Cómo consigo un formulario?

Solicitudes están disponibles en línea o si llama al programa de Dial-A-Ride de Yakima Transit al 575-6054. Un formulario de solicitud junto con información del programa y las reglas para el uso de Dial-A-Ride puede ser enviado por correo sin costo.
